April, 2024

Dear Parents/Guardians:

The 3<sup>rd</sup> through 8<sup>th</sup> grade students will be taking the NJSLA assessment during the month of May 2024 per the schedule listed above. More detailed information regarding NJSLA assessments for parents and families can be found on the following websites:

- <https://nj.mypearsonsupport.com/ForParent/>
- <https://nj.digitalitemlibrary.com/home>

Please note that testing usually occurs directly after homeroom. Make-up testing will occur throughout the day. Here are a few simple things you can do to help your child perform well on the tests:

- Get plenty of rest the night before
- Have a nutritious breakfast the morning of the test
- Get to the bus stop on time to avoid being late
- Try not to schedule appointments during the testing period

Please note that per New Jersey Dept. of Education guidelines, cell phones or other electronic devices are not permitted in the testing rooms. We encourage students to keep their phones at home during testing week. However, if any student brings a phone or electronic device to school, it will be secured during testing hours and returned after students have finished testing.

As always, thank you for your attention to this matter. If you have any questions regarding the NJSLA process, expectations and assessment, please do not hesitate to contact your child's teacher or an administrator.

Sincerely,

Amy Whilden  
Assistant Principal
